**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition.

Competition is what United States is built on.

I was with the 2 providers for years and years - switching back and forth and being manipulated and it was horrible.

I love having the freedom to choose - and the company I use now I feel is small and really works to see me. I am not a cog and I can tell their employees love the company they work for.

PLEASE let America do what it does best and that is have a healthy, stable, competitive market.
